Ratan Naval Tata, popularly known as Ratan Tata, was the chairman of the Tata Group from 1990 to 2012. He was born in 1937, in the Bombay Presidency. He was an industrialist, philanthropist, genius and billionaire, with a total net worth of INR 3,800 crore. From developing defence vehicles for the Indian Army to helping the poor, Ratan Tata has won hundreds and millions of hearts.

His charitable trust provides food, shelter, and education to millions of poor people in India. Every billion dollars he gave in charity served as a lifeline for millions of impoverished people. According to reports, he has donated more than 60% of his income to charity. His philanthropic ideas have inspired millions of people around the globe to help those in need. In 2008, Ratan Tata was awarded India's second-highest civilian award, the Padma Vibhushan, because of his immeasurable contributions towards nation-building. Not everyone can be as great as Shri Ratan Tata Ji, but we must follow his ideals and offer our service to the nation and those in need.
